and any Recruit who shall designedly make any false Representation of any Particular contained in the Oaths and Certificates in the Schedule to this Act annexed before the Justice at the Time of his Attestation, and shall obtain any Enlisting Money, or any Bounty for entering into Her Majesty's Service, or any other Money, shall be deemed guilty of obtaining Money under false Pretences, within the true Intent and Meaning, if in *England*, of an Act passed in the Session holden in the Seventh and Eighth Years of His Majesty King *George* the Fourth, intituled *An Act for consolidating and amending the Laws in* England *relative to Larceny and other Offences connected therewith*, and if in *Ireland*, of an Act passed in the Ninth Year of the Reign of His Majesty King *George* the Fourth, intituled *An Act for consolidating and amending the Laws in* Ireland *relative to Larceny and other Offences connected therewith*, and such Recruit, if in *Scotland*, shall be deemed guilty of Falsehood, Fraud, and wilful Imposition, and any such Recruit shall be tried for any such Offence in any County or Place where he may at any Time happen to be; and the Production of such Certificate, and Proof of the Handwriting of the Justice giving such Certificate, shall be sufficient Evidence of such Party having represented the several Particulars contained in the Oath sworn by him, and specified in the Certificate of the Justice at the Time of his having been attested; and that Proof by the Oath of One or more credible Witnesses that the Person so prosecuted hath voluntarily acknowledged that at the Time of his Enlistment he belonged to the Militia, or to any Regiment in Her Majesty's Service, or to Her Majesty's Navy or Marine or Ordnance, or that he designedly made any false Representation of any Particular contained in the said Oaths and Certificates or either of them before the Justice at the Time of the Attestation of the Person being prosecuted, shall be deemed and taken as Evidence of the Fact so by him acknowledged, without Production of any Roll or other Document to prove the same; XXVII. And be it enacted, That from and after the First Day of *Hilary* Term next after the passing of this Act the Nisi Prius Courts of the said Superior Courts of Common Law sitting at *Dublin* shall be consolidated, and that thenceforth there shall be but One Common Court of Nisi Prius for the Trial at *Dublin* of Issues in Fact arising in either or any of the Courts, except as herein-after provided, and for the Hearing of Appeals from inferior Jurisdictions; which Court of Nisi Prius shall consist of One Judge or Baron of either of the said Superior Courts, to be chosen for that Purpose by the said Judges and Barons according to such Arrangement as they shall think proper, and in such Order of Rotation that each Court shall, by One of its Judges or Barons, take the Duty in turn by Terms.

Unequal Distribution of Business to be remedied.

XXXI. 'And whereas much public Inconvenience arises from the unequal Distribution of Business 'amongst the said Superior Courts of Common Law, whereby one Court is often insufficiently employed 'while the others are unduly pressed, to the great Delay and Injury of Suitors and Detriment of Justice, 'and it is expedient to adopt Means to equalize the Business of the said Courts, so far as the same 'can be effected:' Be it therefore enacted, That from and after the Commencement of this Act the several Writ and Appearance and Seal Offices of the Superior Courts of Queen's Bench, Common Pleas, and Pleas Exchequer in *Ireland* shall be consolidated, and there shall be for the said Three Courts but One Common Writ and Appearance and Seal Office for the Entry, Issue, and Sealing of Writs for all and each of the said Courts, and for the Transaction of such other Business as is now transacted at the Writ and Appearance and Seal Offices of such respective Courts, and which Office, and the Officers, Assistants, and Clerks therein, shall be deemed equally the Office, and Officers, Assistants, and Clerks, of each of the said Courts, as well for and in respect of any Business or Proceedings which may have been commenced before and be in progress at the Time of the Commencement of this Act or of any Part thereof as for and in respect of any Business or Proceedings which may be commenced thereafter, and shall be subject to such Orders, Rules, and Regulations as the Lords Chief Justices of the said Courts of Queen's Bench and Common Pleas and Lord Chief Baron of the said Court of Exchequer, or any Two of them, shall from Time to Time or at any Time make for the Regulation and Conduct thereof.

Writ and Appearance and Seal Offices to be consolidated.

Chief Justices to select Clerk of Writs and Assistants from amongst those

An Act to provide for the Commencement of an Act of the present Session, intituled *An Act to repeal an Act of the Sixth Year of King* George *the Fourth, for encouraging the Capture or Destruction of Piratical Ships and Vessels, and to make other Provisions in lieu thereof.*

[15th *July* 1850.]

'WHEREAS an Act has been passed in the present Session of Parliament, intituled *An Act to repeal an Act of the Sixth Year of King* George *the Fourth, for encouraging the Capture or Destruction of Piratical Ships and Vessels, and to make other Provisions in lieu thereof:* And whereas by the said Act so passed as aforesaid it was amongst other things enacted, that from and after the First Day of *June* next after the passing of such Act the said Act of the Sixth Year of King *George* the Fourth should be repealed, but nevertheless not so as to affect or prejudice the Application for or the Payment of Bounty under the said Act, or any of the Provisions relating thereto, for any Service rendered against Pirates on or before the said First Day of *June;* and by the said Act so passed as aforesaid it was also enacted, that whenever any of Her Majesty's Ships or Vessels of War, or hired armed Vessels, or any of the Ships or Vessels of War of the *East India* Company, or their Boats, or any of the Officers or Crews thereof, should after the said First Day of *June* attack or be engaged with any Persons alleged to be Pirates, afloat or ashore, it should be lawful for the High Court of Admiralty, and for the Courts of Vice Admiralty therein mentioned, to take cognizance of and to determine the Matters in the said Act mentioned: And whereas the Bill which became the said Act so passed as aforesaid was originally introduced in the House of Commons, and having passed that House was amended by the Lords, and was returned to the Commons for their Agreement to the Amendments: And whereas the Commons agreed to some of the said Amendments, but disagreed to one of the said Amendments and amended another thereof, and communicated their Amendment and Disagreement and the Reason for such Disagreement to the Lords at a Conference on the Twenty-eighth Day of *May* One thousand eight hundred and fifty: And whereas the Lords did not take the said Reason and Amendments into consideration until the Twenty-first Day of *June* One thousand eight hundred and fifty, when they finally agreed to the said Amendment of the Commons, and resolved not to insist upon the Amendment to which the Commons had disagreed; and accordingly the said Act received the Royal Assent on the Twenty-fifth Day of *June* One thousand eight hundred and fifty: And whereas by reason of the said Act not having received the Royal Assent until the said Twenty-fifth Day of *June* One thousand eight hundred and fifty, the herein-before recited Enactments will not take effect until the First Day of *June* One thousand eight hundred and fifty-one: And whereas such Postponement of the Operation of the said Enactments was not within the Contemplation of either House of Parliament when they respectively passed the said Act, but has arisen accidentally from the Delay occasioned by the Proceedings herein-before mentioned; and it is expedient that the said Enactments should be made to take effect as if the First Day of *June* One thousand eight hundred and fifty had been therein mentioned instead of the First Day of *June* next after the passing of the said recited Act:' Be it therefore enacted by the Queen's most Excellent Majesty, by and with the Advice and Consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the Authority of the same, That the said recited Act of the present Session of Parliament shall take effect as if the First Day of *June* One thousand eight hundred and fifty had been therein mentioned and referred to instead of the First Day of *June* next after the passing of such Act. 13 & 14 Vict. c. 26. 1st June 1850 to be substituted in recited Act for 1st June next after the passing of such Act.

II. And be it enacted, That this Act may be repealed or amended in the present Session of Parliament. Act may be amended, &c.

Property conveyed for Religious or Educational Purposes to vest in Successors without Conveyance.

II. And be it enacted, That where such Property shall be of Copyhold or Customary Tenure, and liable to the Payment of any Fine, with or without a Heriot, on the Death or Alienation of the Tenant or Tenants thereof, it shall be lawful for the Lord or Lady of the Manor of which such Property shall be holden, on the next Appointment of a new Trustee or Trustees thereof, and at the Expiration of every Period of Forty Years thereafter, so long as such Property shall belong to or be held in trust for such Congregation or Society or Body of Persons or other Party or Parties to whom such Property may have been or shall be conveyed for their Benefit, to receive and take a Sum corresponding to the Fine and Heriot, if any, which would have been payable by Law upon the Death or Alienation of the Tenant or Tenants thereof; and such Payments shall be in full of all Fines payable to the Lord or Lady of the Manor of which such Property is holden, while the same shall remain the Property or be held in trust for such Congregation or Society or Body of Persons; and the Lord or Lady of such Manor shall have all such Powers for the Recovery of such Sums as such Lord or Lady could have had in the event of the Tenant or Tenants of such Property having died or having alienated the same.

III. And be it enacted, That for the Purpose of preserving Evidence of every such Choice and Appointment of a new Trustee or new Trustees, and of the Person and Persons in whom such Charitable Estates and Property shall so from Time to Time become legally vested, every such Choice and Appointment of a new Trustee or new Trustees shall be made to appear by some Deed under the Hand and Seal of the Chairman for the Time being of the Meeting at which such Choice and Appointment shall be made, and shall be executed in the Presence of such Meeting, and attested by Two or more credible Witnesses, which Deed may be in the Form or to the like Effect of the Schedule to this Act annexed, or as near thereto as Circumstances will allow, and may be given and shall be received as Evidence in all Courts and Proceedings in the same Manner and on the like Proof as Deeds under Seal, and shall be Evidence of the Truth of the several Matters and Things therein contained.

'WHEREAS the Warden and Fellows of the College of *Christ* in *Manchester* in the County Palatine 'of *Lancaster*, and their Predecessors, by Letters Patent under the Great Seal of *England*, bearing 'Date the Second Day of *October* in the Eleventh Year of the Reign of King *Charles* the First, were 'incorporated by the Name of the Warden and Fellows of the College of *Christ* in *Manchester* founded 'by King *Charles*, and the Bishop of *Chester* and his Successors were made Visitors of the said College: 'And whereas at the Time of the passing of the Act of Parliament next herein-after mentioned the said 'Warden and the Fellows of the said College (such Fellows being Four in Number) constituted, under 'the Provisions of the said Letters Patent, the Chapter of the said College: And whereas by an Act 'passed in the Parliament held in the Third and Fourth Years of the Reign of Her Majesty Queen 'Victoria, for carrying into effect, with certain Modifications, the Fourth Report of the Commissioners 'of Ecclesiastical Duties and Revenues, it was among other things enacted, that thenceforth all the 'Members of Chapter, except the Dean, in every Cathedral and Collegiate Church in *England*, should 'be styled Canons, and that the said Warden of the said Collegiate Church of *Manchester* should be 'styled Dean; and that in the said Collegiate Church of *Manchester*, as soon as the See of *Manchester* 'should have been founded, and every Person who should be a Member of the said Chapter at the 'passing of that Act should have ceased to be such Member, the Canonries should be in the direct 'Patronage of the Bishop of *Manchester* for the Time being, who might, upon the Vacancy of any 'Canonry, collate thereto a Spiritual Person, who should thereupon be entitled to Installation as a Canon 'of the same Church; and that such fixed annual Sum should be determined on to be paid, and should 'accordingly be paid, to the Ecclesiastical Commissioners of *England* by the said Dean and Canons of 'the said Collegiate Church of *Manchester*, as after due Inquiry, and a Calculation of the then present

'average annual Revenues of the Chapter of such Church, should leave to the Dean thereof an average 'annual Income of Two thousand Pounds, and to the Canons thereof respectively the average annual 'Income of One thousand Pounds; and that the Monies and Revenues to be paid to the said Ecclesiastical Commissioners for *England* by and under the Authority of that Act, together with all Accumulations of Interest arising therefrom, should be from Time to Time carried over by the said Commissioners 'to a Common Fund, to be applied as therein mentioned to make additional Provision for the Cure of 'Souls in Parishes where such Assistance is most required: And whereas an Act was passed in the 'Parliament held in the Sixth and Seventh Years of the Reign of His late Majesty King *William* the 'Fourth, intituled *An Act for carrying into effect the Reports of the Commissioners appointed to consider the State of the Established Church in* England *and* Wales, *with reference to Ecclesiastical Duties 'and Revenues, so far as they relate to Episcopal Dioceses, Revenues, and Patronage;* and another Act 'was passed in the Parliament held in the Fourth and Fifth Years of the Reign of Her present Majesty, 'intituled *An Act to explain and amend Two several Acts relating to the Ecclesiastical Commissioners 'for* England; and another Act was passed in the Parliament held in the Tenth and Eleventh Years 'of the Reign of Her present Majesty, "for establishing the Bishoprick of *Manchester*, and amending 'certain Acts relating to the Ecclesiastical Commissioners of *England*:" And whereas, under or by 'virtue of the said Four several Acts of Parliament, and the Powers thereby conferred, the Bishoprick 'of *Manchester* has been duly founded and endowed, and the said Collegiate Church has been duly made 'and is now the Cathedral Church of the said Diocese of *Manchester;* and the Bishop of *Manchester* for 'the Time being has been duly constituted the Visitor of the said Cathedral; but Doubts have been 'entertained whether he has thereby become Visitor of the said College: And whereas the said Dean 'and Canons are seised of the Rectory of the Parish of *Manchester* aforesaid, and of certain Tithes, 'Glebe Lands, Hereditaments, and Tenements belonging thereto, which at present produce a considerable 'Revenue, and will probably produce hereafter a much larger yearly Income: And whereas the Queen's 'most Excellent Majesty is Patron of the said Deanery or Wardenship of the said College, and as such 'entitled to nominate the said Dean thereof: And whereas the said Bishop of *Manchester* is Ordinary 'of the said Parish of *Manchester:* And whereas the said Parish of *Manchester* is of very great Extent, 'and contains a very large Population: And whereas, in addition to the said Cathedral Church, many 'new Churches or Chapels have at various Times been erected within the said Parish of *Manchester*, 'and other Churches or Chapels are now being or may hereafter be erected in the same Parish, and 'certain Districts of the said Parish have been assigned to certain of such Churches or Chapels, and 'certain of such Churches or Chapels have been respectively endowed to a small Extent, but wholly 'insufficient for properly providing for the Cure of Souls in such Districts: And whereas, under or by 'virtue of "The *Manchester and Leeds* Railway Act, 1836," "The *Manchester and Leeds* Railway Act, '1837," "The *Manchester and Leeds* Railway Act, 1839," "The *Manchester and Leeds* Railway Act, '1841," "The *Manchester and Leeds* Railway Act, 1844," "The *Manchester and Leeds* Railway Act '(No. 1.), 1845." * Note.—This following Paragraph is to be inserted only in the Year 1850 and each of the next succeeding Seven Years, except 1851.

Years

Years of the Reign of King William the Fourth, Chapter 88., each in the proper List, according to the Nature of his Franchise (except all Persons registered under the said Act in respect of the Occupation of Premises of the clear yearly Value of not less than Ten Pounds situate within such City [Town *or* Borough])].

You are to omit from the first-mentioned List (marked No. 7.) all such Persons as shall not have paid, on or before the [First Day of July] then next preceding, all Poor Rates payable by them severally, if any, in respect of such Premises previously to the [First Day of January] then next preceding; and you are in like Manner to omit from the Two last-mentioned Lists (marked No. 8. and No. 9.) all such Forty Shilling Freeholders, Freemen, and others entitled to vote by any Right to the Enjoyment of which Residence is by Law required, as shall not have resided for Six Calendar Months next previous to the said [Twentieth Day of July] in this Year within the said City [Town *or* Borough], or within Seven Statute Miles of the usual Place of Election therein.

You are to add, with a Stamp or in Writing, the Word "objected" to the Name of any Person inserted in such first-mentioned List (marked No. 7.), in case you shall have reasonable Cause to believe such Person not to be, or to have ceased to be, Occupier or joint Occupier of the Premises in respect of which he shall have been rated, or not to have been such Occupier or joint Occupier for the Space of Twelve Calendar Months next previous to such [Twentieth Day of July]; and you are in every succeeding Year after the Year One thousand eight hundred and fifty-one to add in like Manner the Word "objected" to the Name of every Person whose Qualification appearing on the Copy of Register shall be the Occupation or joint Occupation of Premises of the net annual Value of Eight Pounds or upwards, or (in the Case of joint Occupation) Eight Pounds or upwards for each such joint Occupier, and who shall not appear in the List transmitted to you by the Clerk of such Union in such Year; and you are also in every Year to add in like Manner the Word "objected" or "dead" before the Name of any Person contained in such Lists of Voters or Copy of Register delivered to you by the Clerk of the Peace as aforesaid, if you have reasonable Cause to believe that such Person is not entitled to have his Name on the Register then next to be made, or is dead, as the Case may be. In each of the said Lists No. 7, 8, and 9, to be made out by you, the Christian Name and Surname of every such Person must be written at full Length, together with the Place of his Abode and the Nature of his Qualification; and where any Person shall be entitled to vote in respect of any Property in Lands, Tenements, or Hereditaments, then the Name of the Street, Lane, and the Number of the House (if any), or other Description of the Place where such Property may be situate, shall be specified in the List; and you shall sign such Lists marked Nos. 7, 8, and 9, and shall forthwith cause a sufficient Number of Copies of the said Lists, with all such marginal Additions, to be written or printed.

You are to publish, in the Manner herein-before mentioned with regard to Notices, Copies of the said Lists No. 7, 8, and 9, signed by you, on or before the [Twenty-second Day of July] in this Year, and you are likewise to keep a Copy of each of the said Lists, signed by you, to be perused by any Person, without Payment of any Fee, at any Time between the Hours of Ten of the Clock in the Forenoon and Four of the Clock in the Afternoon of any Day, except Sunday, during the first Fourteen Days after such Lists shall have been so published, and you are to deliver Copies thereof to all Persons applying for the same, on Payment of a Price for each Copy after the Rate contained in the Table (numbered 1.) herewith sent.

You are, on or before the [Eleventh Day of August], to make out and to publish, in manner aforesaid, Lists according to the Forms numbered 11, 12, and 13, containing the Name of every Person who shall have given or have caused to be given to you, on or before the [Fourth Day of August] his Claim to have his Name inserted in any List; but if you have reasonable Cause to believe that any Person whose Name shall appear in such Lists of Claimants is not entitled to have his Name upon the Register then next to be made, you are to add in like Manner the Word "objected" before the Name of every such Person on the Margin of such List of Claimants; you are also to make out other Lists, according to the Forms numbered 16, 17, and 18, containing the Name of every Person against whom a Notice of Objection shall have been given to you, on or before the [Twentieth Day of August], as not being entitled to have his Name retained in any List for your City [*or* Town *or* Borough]; and on or before the [Twenty-second Day of August] you are to sign and publish each of such last-mentioned Lists on some public and conspicuous Situation on the Outside of the outer Door or on the outer Wall near the Door of the Town Hall, or if there be no Town Hall, then on such other Place as aforesaid in the same Manner as before mentioned with regard to the Notices.

You are to keep a Copy of these Lists, signed by you, and you are to allow the same, and also the Notices of Objection, to be perused by any Person, without Payment of any Fee, at any Time between the Hours of Ten of the Clock in the Forenoon and Four of the Clock in the Afternoon of any Day, except Sunday, during the first Fourteen Days after the said Lists shall have been published, and you are to deliver a Copy of each of such Lists to any Person requiring the same, on the Payment of a Price for each Copy after the Rate contained in the Table marked Schedule (C.) No. 1., herewith sent.

If you shall find any such Notice, List, or other Document published by you as aforesaid to be destroyed, mutilated, effaced, or removed, you are forthwith to place another in its Room to the same Effect.

On or before the [Twenty-fifth Day of August] you are to deliver to me Copies of the said Lists of Voters so made out by you, with the marginal Additions as aforesaid, Copies of the Lists of Claimants, and Copies of the Lists of Persons objected to, so respectively made out and signed by you as aforesaid,

together (in the Year One thousand eight hundred and fifty-one) with the List of Voters registered under the Act of the 2d and 3d of William the Fourth, Chapter 88, and together (in every succeeding Year) with the Copy of the Register.

You are to attend the Court to be holden for the Revision of the List of Voters for your City [*or* Town *or* Borough], of the Time of holding which Notice will be given; and at the opening of such Court you are there to deliver to the Assistant Barrister [*or* Chairman of the Sessions for the County *or* Barrister, *as the Case may be*], before whom the same shall be holden, the several Lists made out by you, with the marginal Additions as aforesaid, and signed by you, and the original Notices of Objection and the original Notices of Claims given to you, together with the List transmitted to you by the Clerk of the Union in this Year.

Herein if you fail you will be liable to the Penalties in that Case provided. Given under my Hand, this Day of One thousand eight hundred and

'WHEREAS the Deanery and Rectory of *Saint Burian* in the County of *Cornwall*, being a Benefice 'Donative in the free Gift of His Royal Highness *Albert Edward* Prince of *Wales* and Duke of '*Cornwall*, in right of His said Duchy, comprises the Three several Parishes and Churches of *Saint* '*Burian*, *Saint Sennen*, and *Saint Levan* in the said County: And whereas the said Church of *Saint* '*Burian* was in Times past reputed to be a Collegiate Church, with divers Prebends thereto belonging, 'but the Prebendal Possessions have long since been alienated and lost, and Prebendaries have ceased 'to be appointed, and there is now no Parochial Priest or Incumbent of the said several Parishes other 'than the Dean of *Saint Burian*: And whereas it has been represented to Her Majesty by the Council 'of His Royal Highness, that it would promote the Spiritual Interests and better Pastoral Superin- 'tendence of the Inhabitants of the said Parishes if the said Deanery were dissolved and abolished, and 'adequate Provision made for a resident Incumbent in each of the said Parishes; but such beneficial 'Arrangement cannot be effected without the Aid and Authority of Parliament:' Be it therefore enacted by the Queen's most Excellent Majesty, by and with the Advice and Consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the Authority of the same, That immediately upon the next Avoidance of the said Deanery and Rectory it shall become and be dissolved and extinct, and the said Church of *Saint Burian* shall, as well in Law as in Fact, cease to be a Collegiate or Prebendal Church, and each of the said Three several Parishes shall thereupon become and be to all Intents and Purposes and for ever a distinct and separate Parochial Rectory and Benefice Presentative with Cure of Souls, the Patronage and Advowson of each and every of which said new Benefices shall thenceforth be annexed to and become for ever Parcel of the Possessions of the Duchy of *Cornwall*; and all the Tithes, Rent-charges in lieu of Tithes, Oblations, Obventions, Fees, Dues, Offerings, and other Rights, Revenues, and Emoluments whatsoever, now and heretofore of right payable, due, or belonging to the said Dean, within each and every of the said several Parishes, shall thenceforth for ever become and be of right payable and due and belong to the Rector for the Time being of each and every of the said Parishes respectively, and shall and may be demanded and recovered by such Rector as if the same had immemorially belonged to his said Rectory, and every such Rector shall be deemed and taken to be seised in right of his said Church of and in the Parish Church and Site thereof, the Churchyard, Glebe, Tithes, Rent-charges, and all other Tenements and Hereditaments whatsoever hereby annexed to his said Rectory; and each and every of the said Parochial Churches and Rectories shall thenceforth become subject to the general Laws, Statutes, and Customs of the Realm touching other like Churches and Rectories, and the Rector thereof for the Time being shall thenceforth have and enjoy all the Rights, Remedies, Powers, Privileges, and Capacities, and shall be subject to all the Obligations, Duties, Liabilities, Burdens, and Disabilities, which by the same Laws, Statutes, and Customs of right belong, attach, or are incident to or incumbent upon other like Parochial Rectors, and shall be amenable to the like Spiritual Jurisdiction, Visitation, and Correction as other Rectors of Parish Churches within the Archdeaconry of *Cornwall*. The Deanery to be extinguished on Avoidance, and Three Rectories created. Endowment of each Rectory.

II. And be it enacted, That upon and after the Dissolution and Extinction of the Deanery as aforesaid there shall for ever be in each of the said several Parishes Two Churchwardens only, of whom one shall be annually named and appointed by the Rector of the said Parish, and the other chosen by the Inhabitants of the same Parish in Vestry assembled; and the first Election of the said Churchwardens shall be in *Easter* Week next after the Induction of the first Rector of the said Parish, until which Election the Churchwardens for the Time being of the said Parish shall continue in Office; and so soon as the Office of Parish Clerk or of Sexton shall become vacant in any of the said several Parishes the Right to name and appoint to the said Offices respectively shall for ever vest and remain in the Rector for the Time being of the said Parish, and the Clerk and Sexton so appointed shall be entitled, in each and every of the said Parishes, to all the lawful Fees, Salaries, and Emoluments heretofore paid or payable to such Parish Clerk and Sexton respectively, or hereafter fixed and allowed by lawful Authority. Appointment of Churchwardens and Parish Clerk.

III. And

All Statutes for the Acquisition of Glebes and Parsonages to apply to the new Rectories.

III. And be it enacted, That all the Powers and Provisions contained in any public Statutes which shall be in force and unrepealed at the Dissolution of the said Deanery, for the Purchase or Acquisition of Glebes, Parsonage Houses, or Sites for Parsonage Houses, or for the building, rebuilding, and Improvement thereof, shall be deemed and taken to apply to the Purchase, Acquisition, building, rebuilding, and Improvement of Glebes, Parsonage Houses, and Sites for Parsonage Houses for the said several Rectories, when the same shall come into existence by the Operation of this Act.

Power to acquire Sites and Parsonages before the Dissolution of the Deanery.

7 & 8 Vict. c. 65.

IV. And be it enacted, That if it shall be deemed expedient by the Council of His Royal Highness to provide for the Residence of such future Rectors, or of any of them, before the Dissolution of the said Deanery, then it shall be competent for the said Council for that Purpose to purchase, acquire, and accept any suitable House, Houses, or Sites for Houses; and all the Powers and Provisions of an Act passed in the Session of Parliament holden in the Seventh and Eighth Years of the Reign of Her present Majesty, intituled *An Act to enable the Council of His Royal Highness* Albert Edward *Prince of* Wales *to sell and exchange Lands and enfranchise Copyholds, Parcel of the Possessions of the Duchy of* Cornwall, *to purchase other Lands, and for other Purposes*, so far as the said Act relates to the Purchase of Lands for and on behalf of His said Royal Highness, and the Sale and Conveyance of such Lands to His Royal Highness by incorporated Bodies, Trustees, Tenants of limited Interests, and Guardians and Committees of Infants and incapacitated Persons, shall be deemed and taken to apply to the Purchase, Acquisition, Acceptance, and Conveyance of such Houses or Sites for the Purpose aforesaid; and all Land and Houses so acquired, and conveyed to His Royal Highness in the Form specified in the Second Schedule of the said Act, or otherwise, shall continue vested in His Royal Highness, His Heirs and Successors, in trust for the Purpose aforesaid; and when and so soon as any future Rector for whom such Land or House shall have been provided shall be inducted, he shall immediately become sole seised thereof in right of his Church, and the same shall for ever become Parcel of his Rectory, and the legal Estate, Title, and Interest of His Royal Highness, His Heirs and Successors, therein, shall thereupon be divested and cease.

Peculiar of Saint Burian to be wholly abolished.

V. 'And whereas the Deanery of *Saint Burian* is reputed to be a Royal Peculiar, and the Dean 'thereof claims and has exercised Peculiar and Exempt Jurisdiction in Ecclesiastical Causes within a 'District co-extensive with the said Deanery; and it is expedient that the said Peculiar should be 'abolished:' Be it therefore enacted, That when and so soon as the said Deanery shall become extinct by the Operation of this Act, or at such earlier Time as may be appointed in the Manner herein-after provided, the said Peculiar and Exempt Jurisdiction shall wholly cease and become extinct, and the Inhabitants of the said District, and all Parish Clerks, Churchwardens, and other Ecclesiastical Officers within the District, shall thereupon become amenable and subject to the Ecclesiastical Jurisdiction of the Archdeacon of *Cornwall* and the Bishop of *Exeter*, in like Manner as in other Parishes and Places in the County of *Cornwall*, and the said Three several Parishes herein-before named shall thenceforth to all Intents and Purposes become Part of and be held and reputed to be within the Archdeaconry of *Cornwall*: Provided always, that if it shall be deemed expedient to abolish the said Peculiar and Exempt Jurisdiction before the next Avoidance of the said Deanery, the Time at which the same shall so cease and become extinct shall be appointed by an Instrument executed by and with the Consent and Concurrence and under the several Seals of His said Royal Highness the Duke of *Cornwall*, of the Lord Bishop of *Exeter*, and of the now Dean and Rector of *Saint Burian*, and deposited in the Episcopal Registry of the Diocese of *Exeter*.

Wills, &c. to be transferred to the Registry of the Archdeacon of Cornwall.

VI. And be it enacted, That when and so soon as the said Peculiar and Exempt Jurisdiction shall cease and become extinct all the Registers and Records then remaining in the Registry of the said Peculiar, and all Wills, Acts of Court, Bonds, Books, Official Seals, Instruments, Minutes, Papers, and Documents whatsoever touching or belonging to the said Peculiar, and in the Custody or Power of the said Dean, or of his Registrar or other Officer for the Time being, shall be forthwith transmitted and transferred to and deposited in the Registry of the Archdeaconry of *Cornwall*, and become Part of the Records of the said Archdeaconry.

Payment of Tenths to Queen Anne's Bounty to be apportioned.

VII. 'And whereas Two several Payments, amounting in the whole to the Sum of Five Pounds Sixteen 'Shillings and Nine-pence, have been heretofore annually made by the said Dean of *Saint Burian* to 'the Governors of the Bounty of Queen *Anne*, for Tenths of the said Deanery and Rectory, and upon 'the Abolition of the said Deanery it is just and reasonable that the said Sum should be so apportioned 'that each of the said new Rectories shall be charged only with a fair Proportion thereof:' Be it therefore enacted, That from and after the next Avoidance of the said Deanery and Rectory, and thenceforth for ever, the said new Rectories shall be and become respectively charged with the annual Payment to the said Governors, for Tenths, of the several Sums following, and with no other or larger Sums; that is to say, the Rectory of *Saint Burian* with the Sum of Three Pounds Four Shillings, the Rectory of *Saint Levan* with the Sum of One Pound Eight Shillings and Sixpence, and the Rectory of *Saint Sennen* with the Sum of One Pound Four Shillings and Three-pence; which said several Sums shall become annually due and payable at the same Feast Day at which the Tenths are now by Law payable, and shall be recoverable by the same Remedies by which the Tenths are now recoverable.

Act may be amended, &c.

VIII. And be it enacted, That this Act may be amended or repealed by any Act to be passed in this present Session of Parliament.
